### AGM 2010 DETAILS...

21 people attended the AGM last Sunday 15<sup>th</sup> in PortLaoise.

Present from the club... Chris (International Rep/Safety officer.), John, Sonja, Andrew, (Thomas & Martin Mur).

The meeting ran from 11am to 4:30pm with a break for lunch in between.

Chris retained his position on the Executive and Eddie stayed on as Vice President.

Thomas was elected committee member. Congrats to Helen O'Connell (Black Dog) who was elected Chairperson from all at Dunbrody. And a special mention to outgoing chairperson Dave Lester on a job well done.

Membership secretary Mark Ivory announced that we are set to haverecord membership this year. Already we have 316 members registered.

There are strides to get clubs to host different types of shoots during the year which will become known as variety shoots. For minutes see IFAF website.

### GOOD LUCK TO NEW CLUB NA LAOCH DALL (THE BLIND WARRIOR)

Thomas and Martin are in the process of establishing a new club that will be based in Waterford. They have sourced a new woods on the airport road. It's great to see new clubs starting even if it does mean our club losing two fine member's. No doubt they shall have all the help and support from Dunbrody as they strive to get their project off the ground. Best of luck guys. *For more check out their new website.*

WORK PARTY PUTS TOGETHER NEW COURSE.

### REPORT FROM LONEWOLF SHOOT...

JULY 31<sup>st</sup> – AUG 1<sup>st</sup> 2010.

**John & Pat in action...** (Report by Pat.)

Firstly we had a great time, the crack was great and the archery fair.....a bit like the weather -hot and cold at times... anyway the first day was 80 3d's, - one arrow shoot 20 kill, 10 wound,- fantastic.. John was doing a bit better than me of course but losing a contact in his eye around the last 6 targets and lost a few points because of it, but ended in fourth... Next day was sbg with 40 3d's and we both had a better day. John came in with around 640 and I came in with 606. I was delighted with that....

In the end John won 3rd place, the fella who won it was 200 points ahead from the first day so no chance of catching him in the sbg rounds with normal scoring 20, 16,14, 10, 8, & 4.

Micheal Hambly won the recurve and Andy Vagg was 3rd . Ger Swayne also won first place. The English crowd had booked 80 places and none of them turned up. All in all there were around 40 archers present but some good ones at that.

### SBG GAIN CHANGE

The score required for a Gold gain in Compound Bowhunter has been reduced from 558 to 550pts as it was very much out of line with the other styles. This change is retrospective for 2010 but only affects one

### WORK PARTY -7<sup>TH</sup> AUG

A work party got together at the woods on Sat 7<sup>th</sup> August and lots of work was carried out. Present... Martin (Moy), Mark, Maureen, Eddie, Helen, Clodagh, Paul (Philpot) amongst others...

In fact while the 2<sup>nd</sup> part of the course was tidied up, some of the group set about redesigning the old part and now we have a more compact course in an anti clockwise direction which should prove to be an exciting change for competitors at the end of the month.

### MEMBERS BRIEF...

\*Bees -1.... Maureen & Mark -0.(or is it Bees 12, Archers 0)  
Well done Piaras on the leaving results  
Happy birthday Danny, Terry, Mark....

### DONEGAL SHOOT REPORT... 01/08/10

A small crowd attended this recent SBG, mainly due to the August Bank Holiday, holidays, etc. However for those that attended, it was an extremely enjoyable shoot, thanks to the efforts of Donal and gang. Dunbrody was represented by Jim (W) who finished in 3<sup>rd</sup>. Well done Jim. .

### DONEGAL 18 X 2 SBG SHOOT 01/08/10
